

# *The elegant Biltmore Hotel*

**Journey back in time to another era and tour the elegant Biltmore Hotel in Coral Gables. Reflecting the passion and energy of one of America's most exciting city's. The Biltmore dream began in 1924 when Land developer George Merrick joined forces with hotel magnate John McEntee Bowman at the height of the Florida land boom. Opening it's doors in 1926**

*Welcome to the Biltmore Hotel..*  
***Welcome to the Biltmore Hotel..***

**from 1926 to the present day the legend continues....through aquatic shows at the pool, the largest pool built in the United States, to becoming a hospital during the War...then the City of Coral Gables acquired this location in 1973 through the Historic Monuments Act and was finally brought in 1983 and began the full restoration of the Biltmore to its former glory.**

**A special treat awaits on this tour of Coral Gables as your group boards the motor coach at your location to embark on a day of historic discoveries, landmarks that are Florida "treasures" and in a setting that is quite memorable. The step-on guide will escort the tour from beginning to end and "spice" the trip with tidbits of Florida's emerging history. The Biltmore Hotel historian will board the bus taking us on a tour throughout Coral Gables giving us the opportunity to see the style of homes and the development of this beautiful city. A tour of the Biltmore Hotel follows as we go inside this fabulous location and tour the various sections of the hotel. It is definitely an experience and one you will totally enjoy. Luncheon will be served at a lovely restaurant in the Gables giving us time to relax prior to starting on our way home.**
