

# Befitting Just Your Style invites you to Tea (or Lunch!)

## Join our Costumed Hostesses for a Step Back in Time!

### *Your Choice of 4 Exciting Historic Experiences!*

#### VICTORIAN TIMES

Journey back to the time of Queen Victoria, when women were to be seen and not heard. Hear about how they made their wishes known without saying a word ... and how some women were starting to demand their rights! Join the fun! Wear your favorite hat, cameo or pearls.

#### MRS. ASTOR'S GILDED AGE

It's 1904, and THE Mrs. Astor invites you to meet her friends, the world-renowned songstress Lily Angel Rose, and Lydia Thompson, "Queen of British Burlesque" (but not how you may think!). Singing, fun, and lots of talk about New York Society's elite Four Hundred.

#### WOMEN IN HERSTORY

You'll meet 3 plucky women ... Julia Tuttle, "Mother of Miami" ... Clara Bow, "The IT Girl" ... and Rosie the Riveter! In a world controlled largely by men, each woman decided to "go for it" with courage and determination and made a difference in their world. As Rosie says, we CAN do it!

#### PUTTIN' ON THE GLITZ!

It's World War II, and American women are looking for a break from the war news ... how about a Hen Party! Wear your pearls and a fancy hat – maybe a slinky dress - as we take you back to 1944 and kick up our heels for a while to get our minds off what's going on "over there".
